History and Political Science

History has been one of the most important areas of study at TNC. Historians believe that the understanding of other persons and life-expressions is built on our own experience and our understanding of it, and on the continuous interplay of experience and understanding. It is the desire of the History department to promote knowledge of the modern world through the historical method. Students desiring to enter teaching, government service, and law, select history as a major field. In addition, minors in history may be selected to back up work in every area of study.

Lady Trojans

The Trevecca Volleyball team under the direction of Coach Teena Kennamer proved to be a group of determined young women. With an overall record of 9-30, they put forth a valiant effort until the end. This was a year for gaining vital experience. With only three returning players and a new coach, 1980-81 proved to be a year of frustration for this new team yet, the experience gained from this year will be a significant factor for the team next year.

The Big Event

This year, Fall Retreat was bigger and better than ever. For those who attended, *refreshment,* Physically, Mentally and Spiritually was the highlight of the October weekend at Camp Paradise. The weather was beautiful for the men who passed the time playing football, and inside, games and entertainment awaited the less active. Truely SGA's big Fall Event was successful.

Working Together

Annually, Trevecca's Student Body Assembly and their Administration meet together for a weekend conference to discuss various school assets as well as problems. This year's conference was highly worthwhile. The main topics discussed were under the catagories of Academics and Student Services. Much was accomplished, including the extension of library hours starting winter quarter to better accommodate the students. Trevecca students are proud to have administration that take time out of their busy schedules to listen to what the needs of the students really are.

Candy And Creatures

Ghosts, martians from outer space, and witches, were all a part of the decor during Halloween '80. Trick-or-Treating in the dorms provided fun on Friday night, then things really got rolling Saturday with the Senior class's Halloween Party. Terrific food to warm up the insides and then a haunted house by the Janusians and a scary film to chill the soul. Games filled up the rest of the time to provide non-stop action the entire night. And if that wasn't enough to keep a body busy, a hay ride was available for those who wanted to brave the cold on a beautiful starlit night. Halloween '80 will be long remembered by all the characters that participated.

Variety Is The Spice Of Life

The Variety Show, as always, hosted by our Don Garrison, filled the evening with all kinds of entertainment and had a little of something-for-everyone. From the K-9 dog exhibition and serious singing of Karen Thompson, to the Variety Show Band that featured all of our Chicago favorites, to a magic act that kept the audience in stitches, certainly Trevecca's Circle K men out-did themselves in providing a quality show with all profits going towards TPS.

Sweet Success

Homecoming is always one of those most treasured memories Trevecca student's hold as they look back on the year. This year was no exception. The festivities began with a TIA skit night followed by a roaring bonfire and pep rally. The next night our Trevecca Trojans took on Eastern Nazarene College and showed them "Deadly Defeat", with a score of 75-69. The next afternoon the alumni battled the TIA football Team to provide a little active participation for those who came from all over the country to the celebration. The Trojans then toppled the Crusaders again Saturday afternoon in another action packed game. Homecoming Queen Teresa Prevatt, and all the others who participated in, or just were spectators at Homecoming 80 will never forget the thrill of it all.

A Celebration Of Victory

Students, Faculty, administrators, Board of Trustee members, and special friends from across the miles gathered into the New College Hill Church of the Nazarene sanctuary on Tuesday, October 21, 1980, to celebrate victory over the liquidation of a $1 million short term debt that has been outstanding at Trevecca.

The service was one of total rejoicing and thankfulness to God. Hearts were stirred as Trevecca's dream of shaking off the debt was realized.

The Debt was incurred over a period of years and increased until it became unbearable with heavy interest cost. But God opened doors, and people opened their hearts and wallets, until on October 21, the $1,000,000 mark was surpassed, due to final gifts from the Student Body, Board of Trustees, and others.

Sunday Special

This year the Snack Shoppe had an added attraction for the Sunday evening crowd. At about 8:30, center stage, a group would begin tuning and warming up, to provide the spectators with a night of song. Hosted by Ron (Zero) Jackson and the Trevecca Ministerial Association, there was a type of music to fit the fancy of every soul. Entertainment was provided by Trevecca students as well as local Nashville talent. This service always made Sunday nights *Super Special.*

Celebrate Good Times

The campus took on a whole new attitude as the possibility of being the VSAC Basketball Champions became a reality instead of just a dream. Many, many dedicated fans flocked to all parts of Tennessee to witness the thrill of victory. And what a thrill it was. Heads had never been held higher and chants were never chanted louder. It didn't end in the gymnasium either. It was carried to a local Wendy's and then to the school parking lot until the team could be congratulated in person after each and every victory.

Under the VSAC Coach of the Year, Frank Wilson, Trevecca was lead to victory as David Lipscomb, Bethel, Lambuth and then finally Tennesse Wesleyan fell to the determination of a fine team. Tears of joy fell as the nets were cut, hugs were given, and as the Alma Mater was sung so proudly after every Tournament Game.

The celebration and the good times that brought pride to every Trojan will never be forgotten.

$7,000 In 24 Hours, Worth It All!

It just might have been the longest 24 hours of their lives, but the dedication of Circle K's servant spirit kept them going through the night. Every hour there was a new competitor to challenge the skill and wit of Circle K who never let their spirit's down even after losing a few games. But it wasn't whether they won or lost the game, it was how much money pledged that kept determination at high point. After raising in the neighborhood of $7000 for MS. the guys after a strong and loud Hurrah turned in for the night proving that SERVICE is really what Circle K is all about.

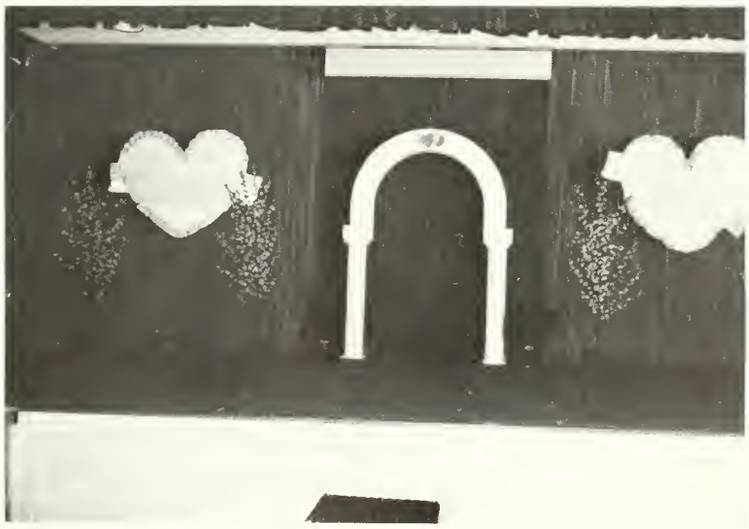
Valentine 1981

"One in a Million" is what the 10 young women are who represented Trevecca in the annual Valentines Pagent sponsored by the Sophomore Class. The night was filled with song, drama, and comedy as well as beauty. The night's highlight was the crowning of the charming Miss Susan Tousley as the Valentine Queen of 1981. Susan, entertaining in song, served as Sophomore Class chaplain and was an excellant choice to represent Trevecca and all the goals that we hold. It was truly a "ONE IN A MILLION" night for us all.

"One In A Million"



Concerts

This year Trevecca was most fortunate to have top entertainment visit the campus to spread the "good news" in a style all their own. Groups included the unique style of Petra, The Wall Brothers, Dogwood, Higher Ground, Glad and Gary Cheyenne to name just a few. These groups, sponsored by various clubs and other organizations provided quality music at a price we could afford. Music has always been an emphasis at TNC and every year is better than before in providing this ministry to Trevecca and the Nashville area.

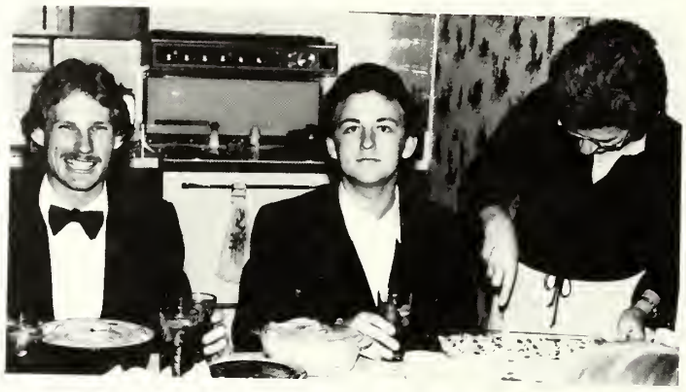
Donkey B-Ball

The scene was the Trojan field house. We were all used to seeing our VSAC champs out on the floor shooting baskets, but tonight there was an added feature: Ten donkeys filled with all the stubborn nature that an animal could muster.

The game was sponsored by Circle K and was a hit from the start. The basketball team, Trevecca faculty and administration, and area pastors all joined in on the fun. Some were better seated for the competition than others, and some never made it off the ground, but all had high spirits, even the lovely pooper scoopers, the Circle K cheerleaders.

Concert Choir

For most, spring break is a time of relaxation. A short vacation. But for some of the more musically inclined students at Trevecca, spring break provided a time to minister in song to the churches of the districts. LONG hours riding in a bus or van, quick meals, a concert or two every day, a different bed every night, may not seem like much of a vacation but never a grumble was heard. Many new friendships were formed, and old friends were brought closer as the Holy Spirit took hold of every voice that sang and every ear that heard.



What a cut-up!

God,

It's Graduation and it's unbelievable that we're here. They'll call my name in a few minutes, and I'll walk up to receive my diploma . . . Where do I go from here? I've always had the security of the school routine and its activities, surrounded by the friends I was so familiar with. Now we'll all be going in different directions, and I wonder how long it will be before the memories that meant so much start to fade. After four years of this you would think I'd be ready to move on, but I feel like I'm leaving a part of me behind. I really have changed, — grown up a lot since I've been here. Well, pretty soon they'll get to my name. Then I'll be up there, and It'll be all over. In a way, I guess everything is really just beginning. Lord, They've trained me well here, lead me . . . guide me . . . direct my paths, and I'll follow.

I'm Always Yours,
A Graduated Senior

SGA

The Student Government Assembly of 80-81 served to represent the students at Trevecca. Long hours of meetings and working on projects were just a part of the work SGA had a part of. Many concerts, films, lectures, and chapel programs were sponsored by SGA.

Members took on the responsibility of class and student body elections as well. The dedication and hard work of Trevecca's stuent leaders made the school year the success it was.

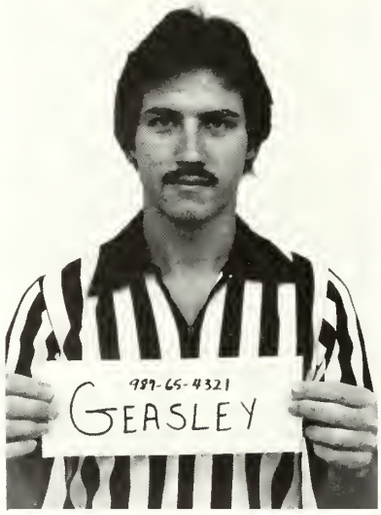
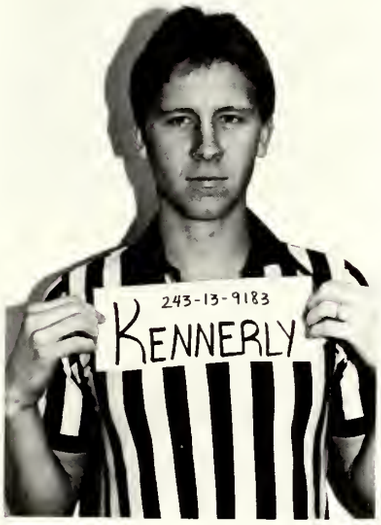
Which Is Your TIA Rep.?





The Trevecca Intramural Association provides students with the challenge of competative sports. The four societies: Alpha, Beta, Delta, and Gamma, competed all year for society of the year and Delta held that honor after all the scores were tabulated.

Sports included football, basketball, softball, raquetball, volleyball, ping pong, bowling, and even wrestling was added to the list this year. There was something for everyone to keep a touch of sports in all our lives all year 'round.

Circle K

Circle K, sponsored by the Kiwanis Club, is a group of men who are dedicated to service. Circle K has shown to the Trevecca Community what the true meaning of service really is. Among their big activities such as the Volleyball Marathon for Multiple Sclerosis and producing the Campus Student Directory, Circle K is also responsible for many unnoticed jobs that they participate in unselfishly. They spend many long hours with the boys from TPS, they move chairs and furniture around, carry refrigerators, work concession stands, and perform any other duty they are asked to do. These men, with a servant's heart, are a credit to the campus-truly a fine group of gentlemen.

Sigma Society

Sigma Society, formerly Circle Kettes, is a womens organization which strives to promote the spirit of service for improvements of human relationships. This task was carried out in the Trevecca Community as well as the Nashville area. Various activities during the year included a fashion show, Country Fair, and a coat and hat check during home basketball games. Money raised helped to sponsor a retreat for under-privileged girls.

Civinettes

The Civinettes, sponsored by the Senior Civitan Club, have been active reaching their goals of building good citizenship and reaching out with compassion to those around them. This years' activities have included work with TPS little sister's, selling programs and concessions at TNC ballgames, tutoring at the Nashville Boy's Club, aiding with Special Olympics, and delivering Singing Valentines.

Honor Society

The Honor Society is an academic organization consisting of students maintaining a 3.5 GPA over three consecutive quarters. They perform great services for the college by encouraging high intellectual standards, improving academic rank of Trevecca, and stimulate the desire in all students to excell in scholarship, leadership, ethics, and public usefulness.

STEA

Student Tennessee Education Association is comprised of students preparing for the teaching profession. Under the leadership of Dr. Thomas Rosebrough, the group sponsored Teacher Appreciation Week, attended the organization's national convention, and took part in several seminars held in the Nashville area. STEA also planned a puppet workshop held during spring quarter.

CWA/TMA

Christian Workers in Action is an active club invoving dedicated students in off-campus ministry. CWA provides services in nursing homes, hospitals, prisons, the Rescue Mission, Teen Challenge, and the Salvation Army, in the Nashville area. The only goal of CWA is to share the love of Jesus in an active way to those in need. The Lord is continually opening avenues of service for these students who are totally committed to Him.

Trevecca's Ministerial Association builds Christian leadership qualities and provides fellowship for its members. Those who are called to the preaching ministry or to other full-time Christian services are eligible for membership. This year, TMA has been very active in sponsoring many on campus functions. They have also sponsored an Outreach Ministry program for all students wishing to be involved in a weekend ministry in nearby churches.

Forensics

The Trevecca Mu Chapter of Pi Kappa Delta traveled throughout the eastern United States competing in Intercollegiate Speech Competition. Through interaction with students from other colleges and universities, the Forensic squad was able to achieve their goals concerning competition, achievement, experience in the art of rhetoric, as well as being ambassadors for Trevecca and God.

Janusians

Janusians have been a major part of the quality entertainment that students enjoyed all year long. They began the year by participating in the Haunted House during the Halloween festivities and then as the year went on, put on two major theatrical productions-"Meet Me in St. Louis" and the musical "You're a Good Man Charlie Brown". Both of these endeavors were huge successes. Janusians have certainly obtained their purpose of promoting a better understanding of the performing arts.

Veteran's Club

The Veteran's Club is based mainly on past experience, that of serving our country. The purpose of the club is to help the veteran in his academic, financial, and social needs while at Trevecca. Various activities during the year included the donation of a flag to the school, working at games, and having a Memorial Day service.

Sigma Zeta

The Sigma Zeta organization is oriented toward Science and Math career majors. Its members are inducted by invitation only, and they must hold a GPA of 3.5 or above. Upon graduation, the group's members are eligible for membership in the National Sigma Zeta.

WNAZ

WNAZ-FM is the broadcasting voice of Trevecca Nazarene College. The station is located at 89.1 on the *fm* dial with a signal strength of 500 watts. WNAZ serves Nashville with "beautiful and contemporary" Christian music and informational programming 18 hours each day. The station is used for training students interested in broadcasting.

Handbell Choir

The handbell choir plays on a set of three-octave Schulmerich Bells donated to the college a few years ago. The group plays regularly in chapel, and occasionally in churches and for other occasions in the community. Dr. Barbara McClain is the director.

Direction

Of all the performing groups on campus, the members of Trevadores and Direction are perhaps the most important. Every weekend, every break, and even the summer is spent telling of the Savior through song and telling the Trevecca Story. These men and woman represent Trevecca with their every move while out on the road. They practice long hours, perform, record, hand out literature and applications, and just plain live out college life at Trevecca to all the district churches, making them proud to support a college with a ministry.

Trev-Echoes

Trev-Echoes, under the outstanding leadership of editor Anita Thompson, took on a whole new reputation: Filled with National, local and campus news, every story was covered with a flair that Trevecca has never known. Pride was restored to our newspaper and certainly the finest issues ever were produced this year. Long hours of hard work and dedication were put into every issue to make sure each story was accurate and the effort paid off. Newspapers dissappeared as fast as chocolate chip cookies as students looked forward to every printing that kept them informed on important issues that came up on campus from the squirrel that made the lights go off to the CLC controversy. Anita and her staff are to be congratulated for an effort well done.

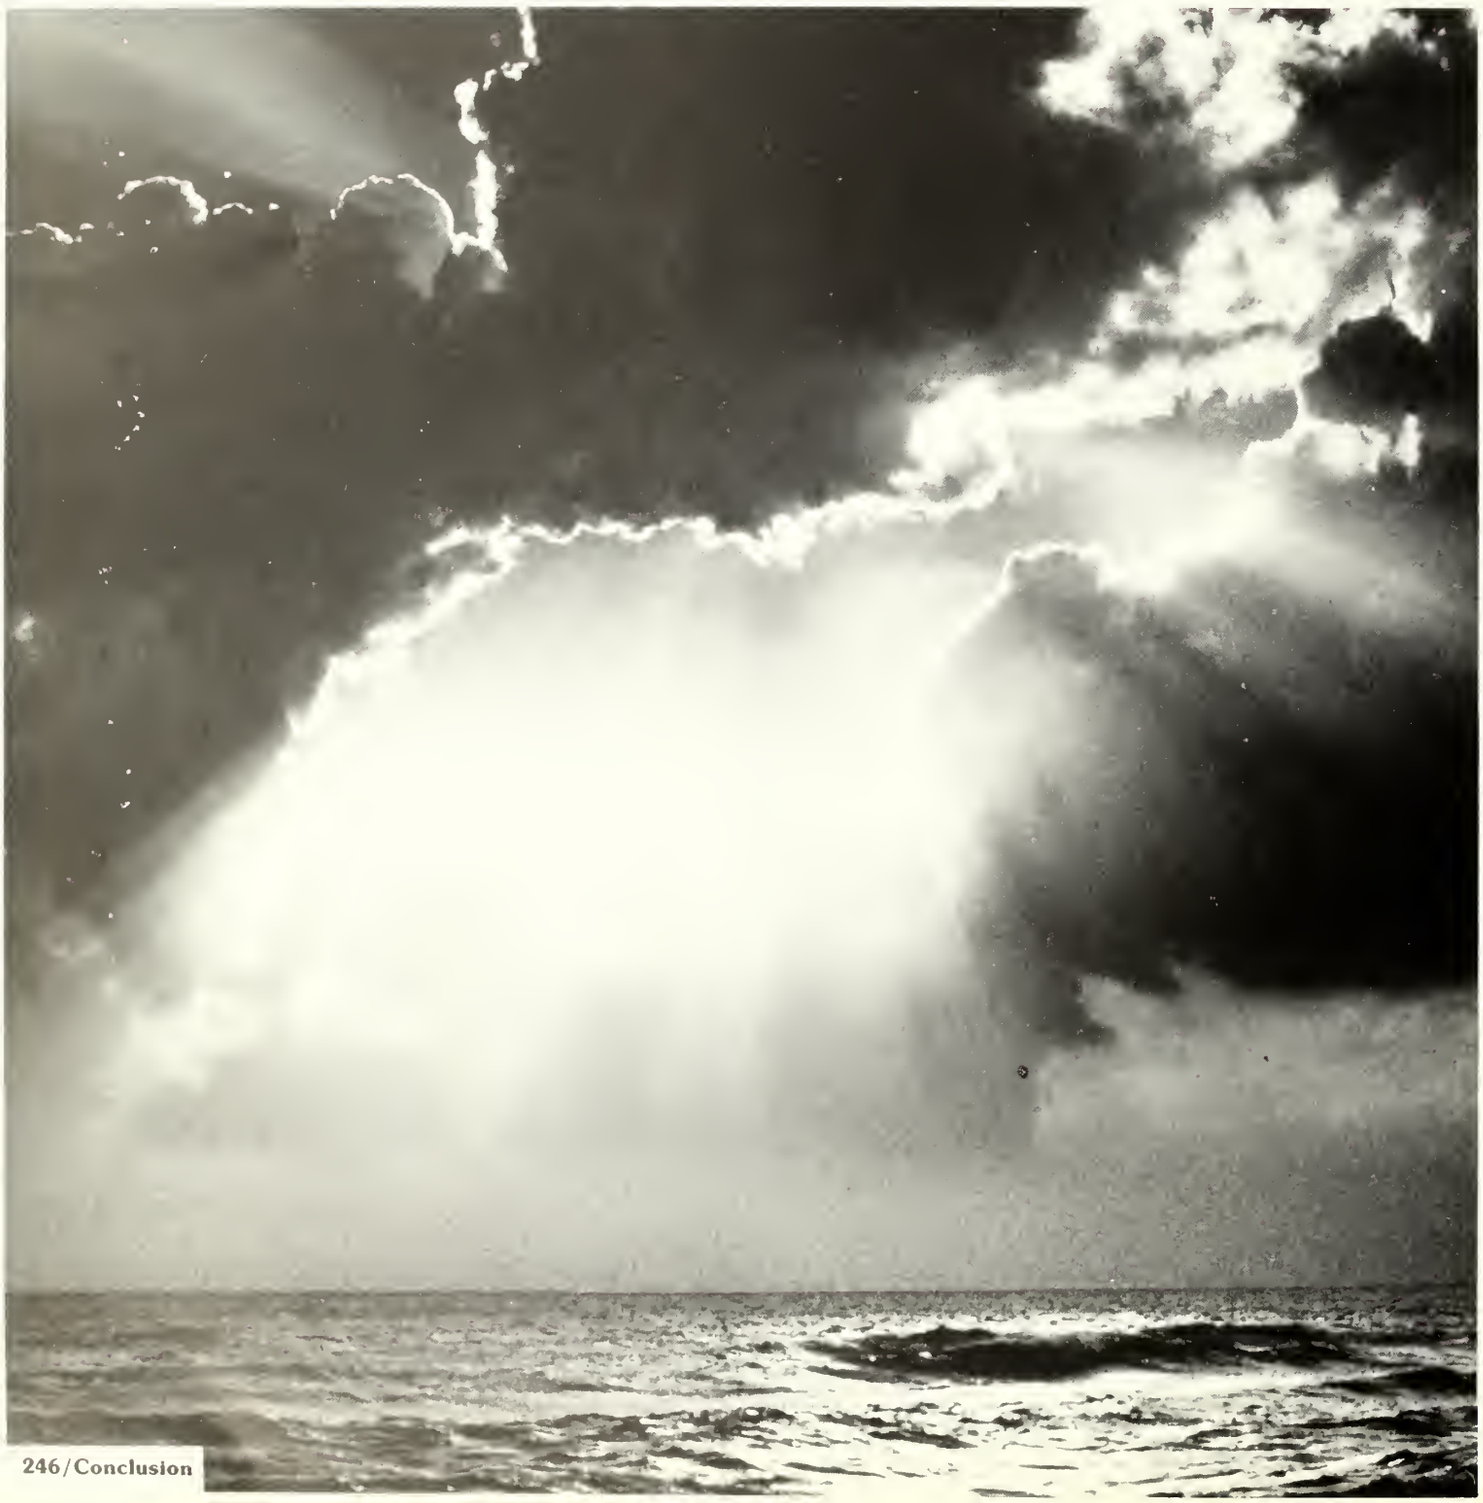
In Memory Of Alex Gardner

Life's race well run,
life's work well done,
Life's victory won,
Now cometh rest.

(Dr. Edward Parker)



Special Thanks To:

Mr. Howard Wall-our advisor who was always full of ideas, help and enthusiasm. Mr. Carl Eby-for all the patience and work that went into the photography. Mr. Harold McGehee and American Yearbook Co.-for publishing our book, Studlow Studio-for prompt service and delivery of student portraits. Trev Echoes-for lending a hand whenever needed.

My Dear Family:

It has been my privilege to serve as the Editor of the 1981 edition of the DARDA. It hasn't all been easy but we made it. My hope is that as you look through these pages you will remember the times we have shared. Maybe a tear or two will come to your eye as they have come to mine because those days are gone. They are now only memories. Memories to be cherished.

I'd like to thank a few very special people in my life that were always a source of support. Becky Gilbertson couldn't have done it without your friendship and appreciation for the *little things* in life. I'd also like to thank Robin Jordan. My roomy, for never complaining about the late hours and all the phone calls at 2:00 AM. And Bob Simmons, affectionately known to all as Clark Kent, for being "such a good friend". My fiance, Frank, for all the letters, phone calls, visits, and love. I mostly thank you, because I would have been lonesome if you had only asked. But you let me come here, to my Tennessee Family. My dear family away from home, thank-you for the laughter, and the good times, and thank-you for giving me a shoulder to cry on when the times weren't so good—for through it all—I've grown. You will always have a special place in my heart.

I LOVE YOU.

Carolyn
